This 12 km long nature trail starts at Ovčárna, which can be reached by shuttle bus or by car from the Hvězda car park. The route leads along the red mark over Vysoká hole, Kamzičník and Jelení studánka (Deer Spring) and ends at Skřítek. It has a total of 12 stops, where you will be introduced to the environment of mountain meadows, rare plant and animal communities. The guide on this trail is the Náholníček elf, an assistant from Praděd's retinue.

Beautiful panoramic views are offered from Vysoká hole (1464 m above sea level) to the top of Pecný (1330 m above sea level).
