Everyone will enjoy a trip to the Na Skalce lookout tower. A view of Praděd awaits you along the trail from Vrbno along the blue tourist sign. Along the way you will see a number of bunkers hidden in the forest above Karlovice, a well of Twelve Friends, and you will walk around the peaks of Větrník and Ostrý. Continue along the blue sign. This will take you to the Na Skalce lookout tower, where you can relax under a shelter.

The lookout tower is accessible free of charge all year round.

If you want to extend the trip, we recommend that you go from the lookout tower along the Na Skalce Nature Trail to the African Safari and Zoo.
